Development Manager at ALSTOM TRANSPORT

To Whom It May Concern:

I would like to recommend Hourasadat MANSOURI for your organisation. Hourasadat worked for me as an intern on various projects at ALSTOM for 6 months from March to August 2019. She did an excellent job in this position, and is able to follow through to ensure that the job gets done.

During her internship, Hourasadat did:

- contribute to the data-science platform implementation, by fixing bugs, adding features and providing structured documentation,
- deploy data-oriented use-cases, backed against proven return on investment, and providing measured savings
- integrate very well with the team, and also performed achievements in autonomy.
- demonstrate a positive state-of-mind

Her performance in our company is a good indicator of how she would perform in yours. I definitely recommend her for similarly challenging endeavours.

Please do not hesitate to contact me for any other questions.

Yours Sincerely,  
Nicolas Pagnard,
