Internship Certificate for Mr. Sankaranarayanan

This is to certify that Mr. Sivaramakrishnan Sankaranarayanan has done his internship at SalesJet from 24.04.2019 to 24.07.2019.

He has started working on a project titled Recruitment Strategy. This project was aimed to create systematic ways to find the right employees for the organization. As part of the project, he developed several channels where to find fitting employees and managed to create a process for those ways in order to enable others to use the channels properly. Due to his ambition and willingness to overtake responsibilities, he worked in a leading role in our marketing project which aimed to improve the public image of the company. For this project, he supervised our graphic designer and made the project successful quickly.

During the internship he demonstrated good communication skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the projects successfully on time.

We wish him all the best for his future endeavors.
