

Declaration

Mahon, 01.04.2017

I, Karsten Börner, captain and owner of the ship "Sir Robert Baden Powell", Netherland flag, call sign PBMP, confirm that Zhanna Ivashyna has been working on the board of the sailing ship Sir Robert Baden Powell as stewardesses in summer season since 18.04.2016 until 03.06.2016. In that time the ship made 3 trips in the Mediterranean Sea from Arenys de Mar/Barcelona to Mallorca, around Menorca, and Ibiza. Zhanna Ivashyna made on the board of ship approximately 500 miles.

Zhanna Ivashyna made in the time of trips different duties, especially; she was responsible for the everyday smooth operation of the boat's interior department.

- Protecting, maintaining, and caring for valuable interior items and surfaces.
- Provisioning to maintain inventory supplies and cover guest usage and collaborating with the executive chef regarding meal service for the guests.
- Keeping all interior storage areas organized, orderly, and maintained.

She was involved in services as:

- Bed maker
 - Washing service
 - Cleaning service
 - Daily service
 - Napkin Folder
 - Plate Runner
 - Provisioner , Purchaser
 - Table Setter and Decorator
 - Food-Garnisher
 - Meal Server
 - Helping with service of dive equipment
 - Medical Assistant

She was working in laundry procedures and wardrobe management, food and beverage service and cleanup.

Daily she took part in the activities on the ship- washing, cleaning, helping with service of dive equipment. She helped with cooking and bringing food on the ship.

As Medical Assistant she controlled the medical supplies in accordance to prescribed list and the expiration date of medicines and their quantities, reorganized the storage and gave the medical service for the staff member in case of accidents or illness.

In the beginning of her service she cooked for crew and workers. She provided housekeeping and medical service throughout the trip effortless. She is a good team worker and had the good relationships with the other crew members.

Captain Karsten Boerner
