Declaration

I, Karsten Börner, captain and owner of the sailing passenger vessel "Sir Robert Baden Powell", call sign PBMP, confirm that Oleksandr Ulybin worked on the board of Sir Robert Baden Powell as deckhand and dive instructor in the summer season from 18.04.2016 until 9.11.2016. In this time the ship made more as 20 trips with the tourists and clients on board in the Mideterrian Sea around Mallorca, Menorca, Ibiza, Corsica, Sardinian, and Cote d' Azur . Oleksandr Ulybin made on the board of ship approximately 4 000 miles.

Oleksandr Ulybin had in the time of trips different duties, like

- diving course and certification for new coming divers,
- Discovery Scuba Dives for no divers
- Dive guiding for certificated divers
- service and rent of dive equipment
- Dive compressor service and dive tanks filling
- Daily service and maintenance of main ship engine, generators, including periodic oil change, filter change etc,
- Repair of the lighting system (repair of wires, communicators, changing of defect lamps, fuses etc)
- Repair and reengineering of the ship fire alarm system including of the search for wrong wiring, defect chips and devices change, engineering of new electric plans and setting on of the whole system
- Repair of air condition system
- Repair of plumbing system and toilets, electrical motor repair,
- Installation of new electrical equipment (refrigerator, dryer)
- Repair of radar and radio station
- Repair of dinghy lights and water pump

Daily he took part in the activity on the deck - hoisting and striking sails, anchor hoisting and casting, deck washing, cleaning, bringing of dinghy in water and out, if necessary he worked also as dinghy driver and night watcher.

During the time of work Oleksandr Ulybin demonstrated excellent knowledge of the dive theory, praxis and work as diving instructor, excellent knowledge of electrical and mechanical devises and hi was able to use this knowledge in handwork of the ship. He is good team worker and had the good relationship with other crew members .

Captain Karsten Boerner
